

LUCAS BALDASSARRE

DATA ANALYST

ABOUT ME

I am a proactive, responsible and hardworking individual who finds teamwork enriching. My aim is to keep learning while developing both my technical and soft skills in my work field.

Furthermore, I am adept at handling multiple tasks on a daily basis competently and at working well under pressure.

I believe that my easygoing personality and communication skills give me the tools needed to encourage a healthy work environment while building strong relationships with people in order to deliver the best results.
